Attention: Carolyn Bray

I am writing this letter to show my support for the speaker series, Careers On and Off the Beaten Path. The volunteer speakers that have visited the Careers classes at Huntsville High School have truly enhanced the curriculum and added value to the course.

We have enjoyed visits from professionals with diverse backgrounds and jobs including an entrepreneur, chiropractor, and lawyer to mention a few. Each speaker spoke candidly and passionately about their career path and current job. The students gained insight into the trials and successes of these individuals as they shared their career stories. Students had the opportunity to have their questions answered regarding training and education required for several occupations. Furthermore, they were able to develop a clear picture of the “ins and outs” of a typical day at work.

I would like to thank you for this program and your commitment to bringing volunteers from Muskoka into the classroom. Students find the speakers to be inspirational and practical in their advice. Thank you for making a difference at Huntsville High School!

Sincerely,

Tanya Fraser
Career Studies Teacher
Huntsville High School
